## 2019 Leonardtown Battle at Breton Marching Band Competition at LHS

On October 5, 2019, Leonardtown High School will be hosting a marching band competition. The last one hosted at Leonardtown High School drew over 900 spectators!!! In addition to support from the school and parents, the LHS Marching Band needs the local community's support. Through your sponsorship of this event, the band will continue to thrive and bring the thrill of competition to future students.

## Sponsorship Opportunities

There are several ways to sponsor the band at this event. The **banners and programs** issued at this event will be **viewed by up to 400 people** over the course of the 4-5 hour event. Additionally, **trophies awarded to winning bands will be announced with your business as the sponsor**. Keep in mind, your sponsorship will be **tax deductible** to the extent allowable by law. Your support provides **additional resources** for LHS Band activities **that cannot be resourced with school funding**. Finally, attendees will **view and recognize your support of the local school and community**.
