Battle at Breton Marching Band Competition Etiquette

So that everyone may enjoy the performances this afternoon, we ask that you please:

- Do not leave or return to your seats during performances. Keep all aisles clear.
- Please limit conversations during performances.
- Turn off or silence all personal electronic devices.
- Applause, cheering, and standing ovations are expected and appreciated recognition at the end of the bands' performances.
- Comments about other bands should always be positive.
- Do not interfere with bands preparation or performances.
- Smoking on school property is not permitted.

Anyone exhibiting inappropriate/rude behavior that disturbs the performances or the enjoyment of those around them will be asked to leave the stadium at the discretion of the contest director.

Scoring

The USBands adjudication system places emphasis on music and performance over design and visual components. While every aspect of performance is taken into consideration, this emphasis ensures that the performers are rewarded for their own achievement on the field.

USBands uses a 5-Box criteria system on all adjudication sheets. Each box includes a range of numbers that move upward during the season. Sample sheets are available online at usbands.org. The 'standard captions' that make up the judging systems are as follows:

Sub-Co	MAXIMUM POSSIBLE ption + Sub-Caption = Sub-Total X Multiplier	EXAMPLE Sub-Caption + Sub-Caption = Sub-Total X Multiplier = Total
Music Individual	(10.0) + (10.0) = 20.00 x 1.25	(7.0) + (6.8) = 13.8 x 1.25 = 17.25
Music Ensemble	(10.0) + (10.0) = 20.00 x 1.25	(7.4) + (7.0) = 14.4 x 1.25 = 18
Visual	(10.0) + (10.0) = 20.00 x 1.25	(7.3) + (7.2) = 14.5 x 1.25 = 18.125
Overall Effect	(10.0) + (10.0) = 20.00 x 1.25	(7.8) + (7.8) = 15.6 x 1.25 = 19.5
Total Score	100.00	72.875

Results/Awards

WE DO NOT "BEAT" other bands. We use competition as motivation for our program to improve. There is a clearly defined set of criteria that each band is evaluated upon. We receive the score that we earn based on our performance effectiveness. Some opinion does play a role on what is or is not effective.

Good luck to all participating bands and enjoy the show!

On behalf of the Leonardtown High School Band Boosters, I would like to welcome you to the Battle at Breton, LHS's Premier Marching Band Showcase! A marching band show requires countless hours of rehearsal and enormous commitment in order to execute an outstanding show with a great musical score and challenging drill. Please share your appreciation for the bands' hard work and determination through cheer and applause, and maybe even an Air Gram or two!

I would like to thank the volunteers who have come together in planning over the past year and those who are giving their time today to make the Battle at Breton a success. Their tireless efforts have brought us all together today to celebrate the success of the bands' and provide them an environment where they can excel and shine, Bravo!

I would also like to thank the numerous local businesses who continue to support the Battle at Breton and the LHS Marching Raiders through their generosity. Please be sure to thank them by patronizing their businesses.

The LHS Band Boosters would like to thank LHS Principal Ms. Jill Mills, Director of Bands Mr. Hunter Martin, and booster members for their unwavering support.

We are thrilled you are here today to experience the impressive shows each marching band has prepared. Good Luck to all of the bands in today's Battle at Breton!

Mr. Todd J. Burroughs

Greetings and welcome to the Battle at Brenton hosted by Leonardtown High School. After a break in 2020 due to the global pandemic, we are incredibly excited to once again host this incredible event. The pageantry of marching arts you will witness today represents countless hours of dedication to excellence and perseverance. Each student on the field represents the best of what our youth has to offer, and I am incredibly proud of each and every one of them.

Marching band is truly a team activity. The success of the ensemble is dependent upon each and every member memorizing approximately eight minutes of music or color guard routine while making numerous moving designs on a football field. The sheer number of cognitive processes that need to occur during a marching arts performance is incredible.

Marching band is a family and the friendships made in this activity will last a lifetime. To the marching band students and their parents here today, enjoy each and every moment of this activity because it will be over before you know it.

I would also like to thank the Director of Bands at Leonardtown High School, Mr. Hunter Martin, and his staff for their incredible dedication and pursuit of excellence that has come to define the Leonardtown High School band program. Through their tireless perseverance, they have ensured that our students have continued access to authentic and meaningful opportunities for engagement in the creative process.

Finally, I wish all performing ensembles here today the best of luck and a healthy 2021-2022 school year. Sincerely,

Todd J. Burroughs

From the Principal

It is my pleasure to welcome you to the 2021 Battle at Breton Bay Band Competition. The band program provides many positive attributes in young individuals; it helps them develop self esteem, leadership skills and positive social interactions. Each day that they take the field together, either during practice or for a perfor-

mance, they are building friendships and creating lifetime memories. A positive

and strong work ethic can also emerge by being part of a team. The Leonardtown High School band program offers all of this and more. Their dedication and devotion is most impressive. They work long hours to bring us exciting and creative performances. There is a feeling of great spirit and a family atmosphere here at LHS, and we are thrilled that you are joining us this weekend to experience it for yourself.

I would like to take this opportunity to thank everyone in-

volved with making our 2021 band competition a reality.

There are countless roles and responsibilities that go into a

cessful program, and I am truly grateful to have students,

and boosters willing to step up and support the band pro-

gram with this enormous endeavor. I would also like to shine the light on Mr. Martin and his leadership, as he not only sets high expectations for his students but then masterfully leads them to meeting those same expectations.

On behalf of the Leonardtown Raiders, I would like to wish each of you the best of luck as you compete here today and for a very successful season.

Raider Strong!

Message from the Director

Welcome! Thank you for joining us for the Battle at Breton. Today's event is a result of a collaboration between Leonardtown High School, our band program and booster organization, parent and community volunteers, USBands, as well as St. Mary's County Public Schools. We are excited you have joined us and hope you will enjoy this evening's showcase.

This event consists of performances by a series of programs—each of which are categorized by group size. All of the participating bands have put countless hours toward sharing with you a performance complete with excitement, surprises, and skill. Without the dedication of their respective directors, students, instructional staff, booster organizations, and parent and community volunteers, the sheer thrill of performing, or even spectating one of these events, would not be possible.

On behalf of the Leonardtown High School Band Program, I would also like to recognize the efforts of those of you who've worked hard to support and bring our home show to life. These dedicated individuals include Dr. J. Scott Smith, Superintendent of Schools; Ms. Jill Snyder-Mills, Principal of Leonardtown High School; Mr. Todd Burroughs, Supervisor of Fine Arts Instruction; the Leonardtown High School Band Boosters; the Leonardtown High School faculty, staff, and administration; and the Leonardtown High School band students who day-in and day-out make teaching and music making a truly rewarding experience. Your commitment to making these events possible has not gone unnoticed, and for your efforts, I simply cannot thank you enough.

Mr. Hunter J. Martin LHS Director of Bands

Thank you again for joining us at Raider Nation, and best of luck to all of this evening's performers.

Tonight's line-up is sure to be good; so sit-back, relax, and enjoy the show.

USBands Classification for Marching Bands

Bands compete against the same Group and Class. This allows each marching band to compete on a similar level with regard to judging criteria.

CLASSIFICATION – GROUP SIZE

USBands classification for participating ensembles is based on the total number of performers, not the size of the student population at their school. This count includes playing members, auxiliary (color guard, majorettes, etc.), and command personnel (drum majors, guard captains, etc.). This does not include members of an American Flag Section or Honor Guard when these members do not move or otherwise add to the effect of the program. Ensemble sizes are grouped as follows:

Group I 1 to 39 members
Group II 40 to 59 members
Group III 60 to 79 members
Group IV 80 to 100 members
Group V 100 plus members

CLASSIFICATION – PROFICIENCY

<u>Open Class</u>: Seasoned ensembles that demonstrate expanded skill sets and are adjudicated on a scale supporting intermediate to advanced skills.

<u>A Class</u>: Ensembles who demonstrate a basic to intermediate skill set (may be building/rebuilding their program) and are adjudicated on a scale representing fundamental to intermediate skills.

<u>Festival Class</u>: Ensembles who prefer a non-competitive experience at any US-Bands-sanctioned event. Ensembles in this classification may receive commentary by adjudicators, score sheets, and will be awarded ratings of Superior, Excellent, Good, or Fair. The rating will be announced and will appear on recaps.

<u>Adjudicated Exhibition</u>: The ensemble may perform "out of class" in the event. The ensemble will receive recordings and scores. The score will not appear on the recap, and will NOT be included in the awards ceremony.

LETTERS FROM A PRISONER OF WAR

Dear Mom and Dad,

It has been quite some time since we have all gathered, so we respectfully ask that you march with us as we salute our heroes of the American Armed Forces. Prepare for the journey of emotion through war, as one soldier leaves home and is captured at battlefront. She records her climactic venture through a series of letters to her parents. You will encounter variations of Taps throughout the piece. As you listen, remember those who we have lost.

Sincerely, Marching Ram Band

The band is under the Direction of Director Caitlin Piper, Assistant Director Mary Howard, and capable field command of Drum Majors Eileen Browning and Paige Bennett. Our staff members include Nicholas Merson as our Drill Designer, and Emily Maljak as our Guard Designer.

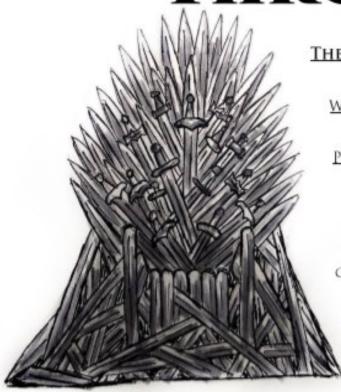

The McDonough High School Marching Rams and their director would like to thank the Administration and Staff of McDonough High School for their support. Additionally, the band would like to give a special thank you to the McDonough band parents for their tireless efforts in everything they do for the band. We wouldn't be able to survive without you!
