6	Open Comments/Discussion	All	<p>Combined Marching Band:</p> <p>Just providing information about the idea of Combined marching Band. It is on the table, but not set in stone. It will be combining all three high school bands. The student's interest is the highest priority.</p> <ul style="list-style-type: none">• Rob mentioned that he supports the program either way. He is here to support Mr. Martin, and the other directors. He is mainly a supplement.• This would only involve the competition band. All the football games and such would be unaffected. It would be to offer a big band experience. The programs have been shrinking, which could offset this issue.• Middle School students should be allowed to participate still, even if combined.• Concerns based on the indoor experience. Band culture issues were brought up. Logistics Problems were brought up.• The LHS Band Boosters have reservations about the idea of combined marching band at this time, and does not feel it is wise to move forward with the idea.
